REQUESTED SERVICE (POND PROS CANNOT MAKE THIS DECISION ON SITE):

_____ \$850.00 **Drain & Clean:** drain pond, recovering fish and aquatic life; remove floor sediment build-up; clean and service entire filter and circulation systems; inspect lights; thin plants, as necessary; re-seed beneficial bacteria. Pond sediment will be utilized on site unless other arrangements are made prior to clean-out (extra charge for hauling & dumping). Includes up to 6 man hours on site.

_____ \$240.00 **Filters-Only Cleaning:** clean and service entire filter and circulation systems; inspect lights; check for leaks; thin plants, as necessary; re-seed beneficial bacteria. Includes up to 2 man hours on site.

WAIVER: All Pond Gnome clean-out techs will use the utmost care and respect while netting, housing, and re-acclimatizing your fish and other pond life. However, due to the delicate nature of the procedure, and the unpredictability of fish in general, we cannot be held responsible for any unusual mishaps such as scratches, scuffs, cloudy eyes, ulcerations, parasite attacks, or loss of life.

Additional man hours over the minimum included with the above prices will be charged at the rate of \$110 per man hour (per man, per hour). If you would like to set a maximum budget for this service, please note that on this form.

Please include any requests for additional work while we're there with this Request so that we can schedule accordingly. Thank you!

PAYMENT:

Your card will not be charged until after the service has been performed, but we must have one on file prior to scheduling the service.
